## Misery Business by Paramore

## Fill in the gaps

I'm in the business of misery, let's take it from the top				
She's got a body like an hourglass that's ticking like a clock				
It's a matter of time before we all run out				
But when I thought he was mine she caught him by the mouth				
I waited eight long months, she (1) set him				
free				
I told him I couldn't lie, he was the only one for me				
Two weeks and we caught on fire				
She's got it out for me but I wear the biggest smile				
Whoa, I never meant to brag				
But I got him where I want him now				
Whoa, it was never my intention to brag				
To steal it all away from you now				
But God, does it feel so good				
'Cause I got him where I want him now				
And if you could then you know you would				
'Cause God, it just feels so				
It just feels so good				
Second chances they don't ever matter, people never change				
Once a whore, you're nothing more, I'm sorry, that'll never				
change				
And about forgiveness we're both (2) to				
have exchanged				
I'm sorry honey but I passed it up, now (3) this way				
Well there's a million other girls who do it just like you				
Looking as innocent as possible to get to who they want				
And what they like, it's easy if you do it right				
Well I refuse, I refuse!				
Whoa, I never meant to brag				
But I got him where I want him now
