

You treat me so bad

## Fill in the gaps

Why should I love you?		You make me glad			
You treat me so bad		Why should I care for you?			
You make me glad		I'll tell you my feelings			
Why should I care for you?		Honestly			
l'll (1) you my (2)	honestly	You wake up			
There are a few factors		The sun (5)	on (6)	face	
That lie in your favour		You crack a smile			
Yet I'm attracted		You got big (7)	today		
Also distracted		Your freedom lies			
Pride may ruin you slowly	you slowly		Way up in the skies		
Harbouring feelings		You'll fly high with invisible wings			
You (3) let go		So why should I love you?			
		You (8) me so bad			
Why should I love you?		You make me glad			
You treat me so bad		Why should I care for you?			
You (4) me glad		I'll tell you my feelings			
Why should I care for you?		Honestly			
I'll tell you my feelings		Why (9) I love you?			
Honestly		You're makin' me so glad			
Trying to tell me		So sad			
That I'm in the wrong		Why should I care for you?			
Though we've been together		You're makin' me so glad			
For so long		So sad			
There is something there		(Ooo ooh ooo ooh)			
That I need		(Ooo ooh ooo ooh)			
Yet far away from you		Why?			
I can be free					
Why should I love you?
