

Who Wants To Be Alone by Tià «sto & Nelly Furtado

I was waiting for you to notice me	Till the sun comes up, till the sun comes up
I've been hanging around for a minute	Don't take me home
Baby, don't get me you, it won't hurt me	Till the sun comes up, till the sun comes up
I don't even (1) if you deserve me	Don't take me home
But with (2) (3) in the sky	Till the sun comes up, till the sun comes up
Who wants to be alone	Right next to me
And when the stars shine so bright	You wanna be till the sun comes up
Who wants to be alone	I'm out of my head
Don't take me home	I'm out of my head
Till the sun comes up, till the sun (4) up	I'm out of my head
Don't take me home	I'm out of my head
Till the sun comes up, till the sun comes up	(Out of my head)
Don't take me home	But with that (8) in the sky
Till the sun comes up, till the sun comes up	Who wants to be alone
Don't take me home	And (9) the (10) shine so bright
Don't take me home Till the sun comes up, till the sun comes up	And (9) the (10) shine so bright Who wants to be alone
Till the sun comes up, till the sun comes up	Who wants to be alone
Till the sun comes up, till the sun comes up Right next to me	Who wants to be alone Don't take me home
Till the sun comes up, till the sun comes up Right next to me You wanna be	Who wants to be alone Don't take me home Till the sun comes up, till the sun comes up
Till the sun comes up, till the sun comes up Right next to me You wanna be Till the sun comes up	Who wants to be alone Don't take me home Till the sun comes up, till the sun comes up Don't take me home
Till the sun comes up, till the sun comes up Right next to me You wanna be Till the sun comes up I am going nowhere in a hurry	Who wants to be alone Don't take me home Till the sun comes up, till the sun comes up Don't take me home Till the sun comes up, till the sun comes up
Till the sun comes up, till the sun comes up Right next to me You wanna be Till the sun comes up I am going nowhere in a hurry Baby, come (5) away all my worries	Who wants to be alone Don't take me home Till the sun comes up, till the sun comes up Don't take me home Till the sun comes up, till the sun comes up Don't take me home
Till the sun comes up, till the sun comes up Right next to me You wanna be Till the sun comes up I am going nowhere in a hurry Baby, come (5) away all my worries But with that moon in the sky	Who wants to be alone Don't take me home Till the sun comes up, till the sun comes up Don't take me home Till the sun comes up, till the sun comes up Don't take me home Till the sun comes up, till the sun comes up
Till the sun comes up, till the sun comes up Right next to me You wanna be Till the sun comes up I am going nowhere in a hurry Baby, come (5) away all my worries But with that moon in the sky Who (6) to be alone	Who wants to be alone Don't take me home Till the sun comes up, till the sun comes up Don't take me home Till the sun comes up, till the sun comes up Don't take me home Till the sun comes up, till the sun comes up Don't take me home
Till the sun comes up, till the sun comes up Right next to me You wanna be Till the sun comes up I am going nowhere in a hurry Baby, come (5) away all my worries But with that moon in the sky Who (6) to be alone And when the stars shine so bright	Who wants to be alone Don't take me home Till the sun comes up, till the sun comes up Don't take me home Till the sun comes up, till the sun comes up Don't take me home Till the sun comes up, till the sun comes up Don't take me home Till the sun comes up, till the sun comes up
Till the sun comes up, till the sun comes up Right next to me You wanna be Till the sun comes up I am going nowhere in a hurry Baby, come (5) away all my worries But with that moon in the sky Who (6) to be alone And when the stars shine so bright Who wants to be alone	Who wants to be alone Don't take me home Till the sun comes up, till the sun comes up Don't take me home Till the sun comes up, till the sun comes up Don't take me home Till the sun comes up, till the sun comes up Don't take me home Till the sun comes up, till the sun comes up Right next to me
