

Fill in the gaps

I (1) years ago	Shout it from the (16) top
Someone told me I should take	Write it on the sky line
Caution (2) it comes to love	All we had is gone now
I did, I did	Tell them I was happy
And you (3) (4) and I was not	And my heart is broken
My illusion, my mistake	All my scars are open
I was careless, I forgot	Tell (17) what I (18) would be
l did	Impossible, impossible
And now when all is done	Impossible, impossible
There is nothing to say	Impossible, impossible
You have gone and so effortlessly	Impossible, impossible
You have won	(Oh) Impossible (yeah yeah)
You can go ahead tell them	I (19) years ago
Tell them all I know now	Someone (20) me I (21) take
Shout it from the roof top	Caution when it comes to love
Write it on the sky line	I did
All we had is gone now	Tell them all I (22) now
Tell (5) I was happy	Shout it from the (23) top
And my heart is broken	Write it on the sky line
All my (6) are open	All we had is gone now
Tell them what I hoped (7) be	Tell (24) I was happy (I was happy)
Impossible, impossible	And my heart is broken
Impossible, impossible	All my (25) are open
Falling out of (8) is hard	Tell them (26) I (27) would be
Falling for (9) is worse	Impossible, impossible
Broken (10) and broken hearts	Impossible, impossible
I know, I know	Impossible, impossible
Thinking all you need is there	Impossible, impossible
Building faith on (11) is worse	Impossible, impossible
Empty promises will wear	I (28) years ago
I know, I know	Someone told me I should take
And now when all is gone	Caution when it comes to love
There is (12) to say	I did
And if you're done (13)	
(14) me	
On your own you can go ahead tell them	
Tell them all I (15) now
