Fill in the gaps

Just Give Me A Reason by P!nk & Nate Ruess (Fun)

Right from the start	I never stopped
You (1) a thief, you stole my heart	You're still written in the scars, on my heart
And I, your willing victim	You're not broken, just bent
I let you see the parts	And we can learn to love again
Of me (2) weren't all that pretty	Our tear (14) and rust
And (3) (4) (5) you	I'll fix it for us
(6) them	We're collecting (15) but our love's enough
Now you've been talking in your sleep	You're holding it in
Things you never say to me	You're pouring a drink
Tell me that you've had enough	No, (16) is as bad as it seems
Of our love, our love	We'll (17) clean
Just (7) me a reason, just a little bit's enough	Just give me a reason, just a (18) bit's
Just a second, we're not broken, (8) bent	enough
And we can learn to love again	Just a second, we're not broken, just bent
It's in the stars	And we can learn to love again
It's been written in the scars, on our hearts	It's in the stars
We're not broken, just bent	It's been written in the scars, on our hearts
And we can learn to love again	That we're not broken, just bent
I'm (9) I don't understand	And we can learn to love again
Where all of this is coming from	Just give me a reason, just a little bit's enough
I thought that we were fine (we had everything)	Just a second, we're not broken, just bent
Your (10) is running wild again	And we can learn to love again
My dear, we still have everything	It's in the stars
And it's all in your mind (yeah, but this is happening)	It's been written in the scars, on our hearts
You've been having real bad dreams	That we're not broken, just bent
You used to lie so close to me	And we can learn to (19) again
There's nothing more (11) empty sheets	We can (20) to love again
Between our love, our love	We can learn to love again
Our love, our love	That we're not broken, (21) bent
Just give me a reason, just a little bit's enough	And we can learn to love again
Just a second, we're not broken, just bent	
And we can (12) to (13) again	

1. were

- 2. that
- 3. with
- 4. every
- 5. touch
- 6. fixed
