This indecision got me climbing up the wall		On our kiss, thought i a save my breath for you
Been cheating gravity and waiting on the fall		Give me (8) rope I'm coming loose
How could (1) come over me		I'm hanging on you
Thought I was above it all		Give me some rope I'm coming loose
Our hope's gone up in smoke		I'm pulling for you now
Swallow your crown		Give me some rope I'm coming out of my head
(Choke)		Into the clear
On our kiss, thought I'd save my (2) for you		When you go
(Choke)		I come
On our kiss, thought I'd save my (3) for you		Loose
Give me some rope I'm coming loose		Give me some rope I'm coming loose
I'm hanging on you		I'm hanging on you
Give me some rope I'm (4)	loose	Give me some rope I'm coming loose
I'm (5) for you now		I'm pulling for you now
Give me some rope I'm (6)	_ out of my head	Give me some (9) I'm coming through
Into the clear		I'm counting on you
When you go		Give me some rope I'm (10) out of my head
I come		Into the clear
Loose		When you go
These premonitions got me crying up a storm		I come
Leave your condition, this position (7) no harm		Loose
(Choke)		
On our kiss, thought I'd save my breath	for you
