Long Road To Ruin by Foo Fighters

Here now, don't make a sound
Say, have you heard the (1)_____ today?
One flag was (2)_____ down
To raise another in its place
A heavy cross you bear
A stubborn heart remains unchanged
No harm, no life, no love
No stranger singin' in your name
Maybe the season
The (3)_____ change in the valley skies
Dear God, I've sealed my fate
Runnin' through hell, heaven can wait
Long road to ruin there in (4)_____ eyes
Under the cold streetlights
No tomorrow, no dead end in sight
Let's say we take (5)_____ town
No king or queen of any state
Get up to shut it down
Open the streets and raise the gates
I know a wall to scale
I know a (6)_____ without a name
Head on without a care
Before it's way too late
Maybe the season
The colors (7)_____ in the (8)_____ skies
Oh God, I've sealed my fate
Runnin' through hell, (9)_____ can wait
Long (10)_____ to ruin there in your eyes

Under the cold streetlights
No tomorrow, no (11)_____ end
Long (12)_____ to ruin there in (13)_____ eyes
Under the cold streetlights
No tomorrow, no (14)_____ end in sight
Long road to ruin there in (15)_____ eyes
Under the cold streetlights
No tomorrow, no (16)_____ ends
For every piece to (17)_____ in place
Forever gone without a trace
Your (18)_____ takes its shape
No turnin' back, don't turn that page
Come now, I'm leavin' (19)_____ tonight
Come now, let's leave it all behind
Is that the (20)_____ you pay
Runnin' through hell, heaven can wait
Long road to ruin there in your eyes
Under the cold streetlights
No tomorrow, no (21)_____ ends
Long road to ruin (22)_____ in your eyes
Under the cold streetlights
No tomorrow, no dead ends
Long (23)_____ to ruin (24)_____ in
(25)_____ eyes
Under the (26)_____ streetlights
No tomorrow, no dead end in sight
