

Fill in the gaps

Once (1) a time I was somebody else		
In another life I saw myself		
Way back then, back when I was new		
Somehere (2) the line I started to slip		
Years gone by, biting my lip		
All the while, all this time I knew		
Now you're on your own, one for the pages		
Over the (3) and through the ages		
Does my heaven burn like hell on you?		
Out beneath the cracks they're coming in waves		
Rolling like an earthquake under the pavement		
Tell me now, tell me Mr. True		
You got a lot of nerve		
Now I'll (4) a little backbone why don't you		
I'm looking for some back and (5) with you		
Are you feeling the same as I do?		
Now and, now and then		
I'm looking for some back and forth with you		
Are you feeling the same as I do?		
Down and out		
Holding my breath, I waited and waited		
How'd this simple life get so complicated?		
Shoes to fill, (6) to spill down you		
Dear in the headlight, spoke in the wheel		

You want pretend, I need for i	eal	
I'm (7) it back	, all my IOU's	
You got a lot of nerve		
Now I'll show a (8)	backbone why don't you	
I'm looking for some back and forth with you		
Are you (9)	the same as I do?	
Now and, now and then		
I'm looking for some back and	I forth with you	
Are you feeling the same as I do?		
Down and out		
You got a lot of nerve		
Now I'll show a little backbone why don't you		
I'm looking for (10)	back and forth with you	
Are you feeling the same as I do?		
Now and, now and then		
I'm looking for some back and forth with you		
Are you feeling the same as I do?		
Now and, now and then		
I'm looking for some back and forth with you		
Are you feeling the same as I do?		
Down and out
