

## Fill in the gaps

Once upon a time I was somebody else	You want pretend, I need for real
In another life I saw myself	I'm taking it back, all my IOU's
Way back then, back when I was new	You got a lot of nerve
Somehere down the line I started to slip	Now I'll show a (5) backbone why don't you
Years gone by, biting my lip	I'm looking for some back and forth with you
All the while, all this time I knew	Are you feeling the same as I do?
Now you're on your own, one for the pages	Now and, now and then
Over the (1) and through the ages	I'm looking for some back and (6) with you
Does my heaven burn (2) hell on you?	Are you feeling the same as I do?
Out beneath the cracks they're coming in waves	Down and out
Rolling like an earthquake under the pavement	You got a lot of nerve
Tell me now, (3) me Mr. True	Now I'll show a little backbone why don't you
You got a lot of nerve	I'm looking for some back and (7) with you
Now I'll show a (4) backbone why don't you	Are you feeling the same as I do?
I'm looking for some back and forth with you	Now and, now and then
Are you feeling the same as I do?	I'm (8) for some back and (9)
Now and, now and then	with you
I'm looking for some back and forth with you	Are you feeling the (10) as I do?
Are you feeling the same as I do?	Now and, now and then
Down and out	I'm looking for some back and forth with you
Holding my breath, I waited and waited	Are you feeling the same as I do?
How'd this simple life get so complicated?	Down and out
Shoes to fill, secrets to spill down you	
Dear in the headlight, spoke in the wheel
