## Fill in the gaps

Once upon a (1) I was (2)	You want pretend, I need for real
else	I'm (16) it back, all my IOU's
In another life I saw myself	You got a lot of nerve
Way (3) then, back when I was new	Now I'll show a little backbone why don't you
Somehere down the line I started to slip	I'm looking for some (17) and forth with you
Years gone by, (4) my lip	Are you feeling the same as I do?
All the while, all this time I knew	Now and, now and then
Now you're on your own, one for the pages	I'm (18) for some (19) and forth
Over the (5) and (6) the ages	(20) you
Does my (7) burn like hell on you?	Are you (21) the (22) as I do?
Out beneath the cracks they're coming in waves	Down and out
Rolling like an earthquake (8) the pavement	You got a lot of nerve
Tell me now, tell me Mr. True	Now I'll show a little backbone why don't you
You got a lot of nerve	I'm looking for (23) back and forth (24)
Now I'll show a little (9) why don't you	you
I'm (10) for some back and	Are you feeling the same as I do?
(11) (12) you	Now and, now and then
Are you feeling the (13) as I do?	I'm looking for some back and (25) with you
Now and, now and then	Are you feeling the same as I do?
I'm looking for some back and forth (14) you	Now and, now and then
Are you feeling the same as I do?	I'm looking for (26) back and forth with you
Down and out	Are you (27) the same as I do?
Holding my breath, I waited and waited	Down and out
How'd this simple (15) get so complicated?	
Shoes to fill, secrets to spill down you
