

Fill in the gaps

Once upon a time I was somebody else	You want pretend, I need for real
In another life I saw myself	I'm taking it back, all my IOU's
Way back then, back when I was new	You got a lot of nerve
Somehere down the line I started to slip	Now I'll show a little backbone why don't you
Years gone by, biting my lip	I'm looking for some back and forth with you
All the while, all this (1) I knew	Are you (6) the same as I do?
Now you're on your own, one for the pages	Now and, now and then
Over the hill and through the ages	I'm looking for some back and forth with you
Does my heaven burn like hell on you?	Are you feeling the (7) as I do?
Out beneath the cracks they're (2) in waves	Down and out
Rolling like an earthquake (3) the pavement	You got a lot of nerve
Tell me now, tell me Mr. True	Now I'll show a little backbone why don't you
You got a lot of nerve	I'm looking for some back and forth with you
Now I'll show a little backbone why don't you	Are you feeling the same as I do?
I'm looking for some back and forth with you	Now and, now and then
Are you feeling the same as I do?	I'm looking for some (8) and forth (9)
Now and, now and then	you
I'm looking for some back and (4) with you	Are you feeling the same as I do?
Are you feeling the same as I do?	Now and, now and then
Down and out	I'm looking for some back and forth with you
Holding my breath, I waited and waited	Are you (10) the same as I do?
How'd this simple life get so complicated?	Down and out
Shoes to fill, secrets to spill (5) you	
Dear in the headlight, spoke in the wheel
