

Nothing satisfies but I'm getting close

Fill in the gaps

All my (1) I've been searching for som	nething	Closer to the prize at the end of the rope
Something never comes never (2)	to nothing	All night long I dream of the day
Nothing satisfies but I'm getting close		When it comes around then it's taken away
Closer to the prize at the end of the rope		Leaves me with the feeling that I feel the most
All night long I dream of the day		The feeling comes to (8) when I see your ghost
When it (3) around then it's taken a	away	And I'm done, done
Leaves me with the feeling that I feel the most		And I'm on to the next one
The feeling comes to (4) when I see y	our ghost	Done, done
Come down don't you resist		And I'm on to the (9) one
You (5) such a delicate wrist		Done, done
And if I give it a twist		And I'm on to the next one
Something to hold when I lose my breath		Done, done
Will I find something in that		And I'm on to the next one
So give me just what I need		Done, done
Another reason to bleed		And I'm on to the (10) one
One by one hidden up my sleeve		Done, done
One by one (6) up my sleeve		And I'm on to the next one
Hey don't let it go to waste		Done, done
I love it but I hate the taste		And I'm on to the next one
Weight keeping me down		Done, I'm done
Hey don't let it go to waste		And I'm on to the next
I love it but I hate the taste		Done, done
Weight (7) me down		And I'm on to the next one
Will I find a believer		Done, I'm done
Another one who believes		And I'm on to the next one
Another one to deceive		Done, done
Over and over down on my knees		And I'm on to the next one
If I get any closer		Done, I'm done
And if you open up wide		And I'm on to the next
And if you let me inside		Hey don't let it go to waste
On and on I've got nothing to hide		I love it but I hate the taste
On and on I've got nothing to hide		Weight keeping me down
Hey don't let it go to waste		Hey don't let it go to waste
I love it but I hate the taste		I love it but I hate the taste
Weight keeping me down		Weight keeping me down
Hey don't let it go to waste		Done, done
I love it but I hate the taste		And on to the next one
Weight keeping me down		Done, I'm done
All my life I've been searching for something		And I'm on to the next
