

Fill in the gaps

I (1) up at the sun	You can feel the (11) start to tremble
Thought of all the people	Watching (12) you (13) out to sea.
Places and things I've loved	You can see your (14) out of the window
I stand up just to see	Tonight
Of all the faces	If I lose myself tonight
You are the one (2) to me	It'll be by your side
You can feel the (3) (4) to tremble	I lose myself tonight
Watching what you know out to sea	If I lose myself tonight
You can see (5) life out of the window	It'll be you and I
Tonight	Lose (15) tonight
If I (6) myself tonight	Take us down and we (16) trying
It'll be by (7) side	40000 feet keep flying
I lose myself tonight	Take us down and we keep trying
	40000 (17) (18) flying
If I lose myself tonight	Take us down and we (19) trying
It'll be you and I	40000 feet keep flying
Lose (8) tonight	Take us (20) and we keep trying
I (9) up with the sun	40000 (21) (22) flying
Thought of all the people	Lose myself
Places and things I've loved	If I (23) myself tonight
I woke up (10) to see	
With of all the faces	
You are the one next to me
