

Fill in the gaps

As I trip the darkness

What a day?

I can barely keep my eyes wide open

I don't wanna see straight

What a day?

Feels like my breath is heavy again

And I'm totally faded

Come to me, come to me

I am waiting for you

Come to me

I can't wait

Follow me, follow me

As I trip the darkness

One more time

Follow me, follow me

I awake from madness

Just in time

What a day?

Seconds, minutes and hours spill over

There's no time here in space

What a day?

I see beauty in everything

But the world is still fading away

Come to me, come to me

I am waiting for you

Come to me

I can't wait

Follow me, follow me
