If you've been hiding from love

Fill in the gaps

No strings attached

If you've been hiding from love		Just (7) love
I can understand where you're coming from		No hidden catch
I can understand where you're coming from		No strings attached
If you've suffered enough		Just free love
If you've suffered enough		Hey girl
I can understand what you're thinking of		You've got to take this moment
I can see the pain that you're frightened of		Then let it slip away
And I'm only here		Let go of complicated feelings
To bring you free love		Then there's no price to pay
Let's make it clear		We've been running from love
That this is free love		We've been running from love
No (1) catch		And we don't know what we're doing here
No (2) attached		No we don't (8) what we're doing here
Just free love		We're only here
No (3) catch		Sharing our free love
No strings attached		Let's make it clear
Just free love		That (9) is free love
I've been running like you		No hidden catch
I've been running like you		No strings attached
Now you (4)	why I'm running scared	Just free love
Now you (5)	why I'm running scared	No (10) catch
And I'm only here		No strings attached
To (6) you free love		Just free love
Let's make it clear		
That this is free love		
No hidden catch
