

## Fill in the gaps

## All The Right Moves by OneRepublic

All the right friends in all the wrong places	All the right (10) in all the wrong places
So yeah, we're going down, they got	So yeah, we're going down, they got
All the right moves in all the right faces	All the right moves and all the (11) faces
So yeah, we're going down	So yeah, we're going down, they said
Just paint the (1) of a perfect place	Everybody knows, everybody knows (12) we're
They got it better than what anyone's told you	going
They'll be the King of Hearts	Yeah, we're going down, they said
And you're the (2) of Spades	Everybody knows, everybody knows where we're going
Then we'll fight for you like we were your soldiers	Yeah, we're (13) down
I know we've got it good	It don't matter what you see
But they got it made	I know I could (14) be
And the grass is (3) greener each day	Someone that'll look like you
I (4) things are looking up	It don't matter what you say
But soon they'll take us down	I know I could never face
Before anybody's knowing our name	Someone (15) (16) (17)
They got all the right friends in all the (5) places	like you
So yeah, we're going down, they got	All the right (18) in all the wrong places
All the right moves and all the wrong faces	So yeah, we're going down, (19) got
So yeah, we're going down, they said	All the right moves and all the right faces
Everybody knows, everybody knows where we're going	So yeah, we're going down
Yeah, we're going down, (6) said	All the right friends in all the wrong places
Everybody knows, everybody knows where we're going	So yeah, we're going down, (20) got
Yeah, we're going down	All the (21) (22) and all the
Do you think I'm special?	(23) faces
Do you think I'm nice?	So yeah, we're going down, they said
Am I bright enough to shine in (7) spaces?	Everybody knows, everybody knows where we're going
Between the noise you hear	Yeah, we're (24) down, they said
And the sound you like	Everybody knows, everybody knows where we're going
Are we just sinking in an ocean of faces?	Yeah, we're (25) down
It can be possible that rain can fall	Yeah, we're going down
Only (8) it's over our heads	Yeah, we're going down
The sun is (9) everyday, but it's far away	(All the right moves, hey)
Over the world is death	Yeah, we're going down
They got	(All the right moves, hey)
They got	Yeah, we're going down
