

Fill in the gaps

This town is (1) now, I (2) it's	Something (16) my (17) out
sick of us	And I'm standing down
It's (3) to (4) our move, I'm shakin' off	Stop and stare
the rust	I think I'm moving but I go nowhere
I've got my heart set on anywhere but here	Yeah I know (18) everyone gets scared
I'm staring down myself, counting up the years	But I've (19) what I can't be, oh
Steady hands, (5) take the wheel	Stop and stare
Every glance is (6) me	You start to wonder why you're here not there
Time to make one last appeal for the life I lead	And you'd give (20) to get what's fair
Stop and stare	But (21) ain't what you (22) need
I think I'm moving but I go nowhere	Oh, you don't need
Yeah I know that everyone gets scared	
But I've become what I can't be, oh	(What you need, (23) you need)
Stop and stare	Stop and stare
You (7) to (8) why you're 'here'	I think I'm (24) but I go nowhere
not there	Yeah I know that everyone (25) scared
And you'd (9) anything to get what's fair	I've become (26) I can't be
But (10) ain't what you really need	Oh, do you see what I see
Oh, can you see what I see?	
They're tryin' to (11) back, all my senses push	
Untile the (12) bags, I (13)	
thought I could	
Steady feet, don't fail me now	
I'm (14) run (15) you can't walk
