

Fill in the gaps

This town is colder now, I think it's sick of us
It's time to make our move, I'm shakin' off the rust
I've got my heart set on anywhere but here
I'm staring down myself, counting up the years
Steady hands, just take the wheel
Every glance is killing me
Time to make one (1) appeal for the life I lead
Stop and stare
I think I'm moving but I go nowhere
Yeah I know that everyone gets scared
But I've become what I can't be, oh
Stop and stare
You start to (2) why you're 'here' not there
And you'd (3) anything to get what's fair
But fair ain't (4) you really need
Oh, can you see what I see?
They're tryin' to come back, all my (5) push
Untie the weight bags, I never thought I could
Steady feet, don't fail me now
I'm gonna run till you can't walk

Something pulls my focus out	
And I'm standing down	
Stop and stare	
I think I'm moving but I go nowhere	
Yeah I know that everyone gets scared	
But I've (6) what I can't be, oh	
Stop and stare	
You (7) to wonder why you're here not the	re
And you'd give anything to get what's fair	
But fair ain't what you really need	
Oh, you don't need	
(What you need, (8) you need)	
Stop and stare	
I think I'm (9) but I go nowhere	
Yeah I (10) that everyone gets scared	
I've become what I can't be	
Oh, do you see what I see
