

## Fill in the gaps

I need another story
Something to get off my chest
My life gets kinda boring
Need something that I can confess
Til all my sleeves are stained red
From all the truth (1) I've said
Come by it (2) I swear
Thought you saw wink, no
I've been on the brink, so
Tell me what you want to hear
Something that were like those years
Sick of all the insincere
So I'm gonna give all my secrets away
This time, don't (3) another perfect line
This time, don't (3) another perfect line  Don't care if (4) never (5) in line
Don't care if (4) never (5) in line
Don't care if (4) never (5) in line I'm gonna (6) all my secrets away
Don't care if (4) never (5) in line I'm gonna (6) all my secrets away  My God, amazing how we got this far
Don't care if (4) never (5) in line I'm gonna (6) all my secrets away My God, amazing how we got this far It's like we're chasing all those stars
Don't care if (4) never (5) in line I'm gonna (6) all my secrets away  My God, amazing how we got this far It's like we're chasing all those stars  Who's driving shiny big black cars
Don't care if (4) never (5) in line I'm gonna (6) all my secrets away My God, amazing how we got this far It's like we're chasing all those stars Who's driving shiny big black cars And (7) I see the news
Don't care if (4) never (5) in line I'm gonna (6) all my secrets away  My God, amazing how we got this far It's like we're chasing all those stars  Who's driving shiny big black cars  And (7) I see the news  All the problems that we could solve
Don't care if (4) never (5) in line I'm gonna (6) all my secrets away My God, amazing how we got this far It's like we're chasing all those stars Who's driving shiny big black cars And (7) I see the news All the problems that we could solve And when a situation rises
Don't care if (4) never (5) in line I'm gonna (6) all my secrets away My God, amazing how we got this far It's like we're chasing all those stars Who's driving shiny big black cars And (7) I see the news All the problems that we could solve And when a situation rises Just write it into an album
