

## Fill in the gaps

Woke up in (1) yesterday	Like this (13) is on (14) night
Found (2) in the city near Piccadilly	This could be a good life
Don't really know how I got here	A good, good life
I got some (3) on my phone	()
New names and numbers (4) I don't know	Hopelessly
Address to places like Abbey Road	I feel (15) (16) might be
Day turns to night, night (5) to whatever we want	(17) that I'll miss
We're young enough to say	Hopelessly
Oh this is (6) be good life	I (18) like the window (19) oh so
This is gonna be good life	quick
This could be a good life, good life	Hopelessly
Say oh, got this (7) that you can't fight	I'm taking a (20) picture of you now
Like this city is on fire night	'Cuz hopelessly
This (8) be good life	The hope is we (21) so much to feel good about
A good, (9) life	Oh this is gonna be good life
To my friends in New York, I say hello	This is gonna be good life
My friends in L.A. they don't know	This could be a good life, good life
Where I've been for the past few years or so	Say oh, got this feeling that you can't fight
Paris to China to Col-or-ado	Like this city is on fire night
Sometimes there's airplanes I can't jump out	This could be good life
Sometimes there's bullshit (10) don't work now	A good, (22) life
We are god of stories but please tell me-e-e-e	(good, (23) life, good life, good life)
What there is to (11) about	To my friends in New York, I say hello
When you're happy like a fool	My (24) in L.A. (25) don't know
Let it take you over	Where I've been for the past few years or so
When everything is out	Paris to China to Col-or-ado
You gonna take it in	Sometimes there's airplanes I can't jump out
Oh this is gonna be good life	Sometimes there's bullshit that don't work now
This is gonna be good life	We are god of (26) but (27)
This (12) be good life, good life	tell me-e-e-e
Say oh, got this feeling that you can't fight	What there is to complain about
