

Fill in the gaps

93 Million Miles by Jason Mraz

93 (1)_____ miles from the sun
People get ready, get ready
'Cause here it comes, it's a light
A beautiful light
Over the horizon, into our eyes
Oh, my, my, how beautiful
Oh, my beautiful mother
She (2)_____ me, son, in life you're gonna go far
If you do it right, you'll love (3)_____ you are
Just know, wherever you go
You can always come home...
240 thousand miles from the moon
We've come a long way to belong here
To share this view of the night
A glorious night
Over the horizon is another bright sky
Oh, my, my, how beautiful
Oh, my (4)_____ father
He (5)_____ me, son, (6)_____ it may
seem dark
But the absence of the light is a necessary part
Just know, you're never alone
You can always come (7)_____ home...
Home

Home
You can always come back
Every (8)_____ is a slippery slope
But there is always a hand that you can hold on to
Looking deeper through the telescope
You can see (9)_____ your home's inside of you
Just know
That (10)_____ you go
No, you're never alone
You will always get back home....
...
Home
Home
...
93 million miles from the sun
People get ready, get ready
'Cause here it comes
It's a light, a beautiful light
Over the horizon
Into our eyes

Fill in the gaps

Answer

1. million
2. told
3. where
