

## Fill in the gaps

93 (1) miles (2)	the sun	Home		
People get ready, get ready		You can always come back	<	
'Cause here it comes, it's a light		Every road is a (19)	slope	
A beautiful light		But there is always a hand	that you can (20)	on to
Over the horizon, into our eyes		Looking (21)	_ through the telesco	ре
Oh, my, my, how beautiful		You can see that your hom	ıe's (22)	_ of you
Oh, my beautiful mother		Just know		
She (3) me, son, in (4)	you're gonna go	That wherever you go		
far		No, you're never alone		
If you do it right, you'll love where you are		You will always get back home		
Just know, (5) you go				
You can always (6) home		Home		
240 (7) (8)	from the moon	Home		
We've come a long way to belong here				
To (9) view of the night		93 million (23)	from the sun	
A (11) night		People get ready, get read	у	
Over the (12)	is another	'Cause here it comes		
(13) sky		It's a light, a beautiful light		
Oh, my, my, how beautiful		Over the horizon		
Oh, my irrefutable father		Into our eyes		
He (14) me, son, (15)	it			
may seem dark				
But the absence of the light is a (16)				
part				
Just know, you're (17) alone				
You can always come (18) home				
Home
