

Fill in the gaps

93 Million Miles by Jason Mraz

93 million miles from the sun
People get ready, get ready
'Cause here it comes, it's a light
A beautiful light
Over the horizon, into our eyes
Oh, my, my, how beautiful
Oh, my beautiful mother
She told me, son, in life you're gonna go far
If you do it right, you'll love (1)_____ you are
Just know, wherever you go
You can always come home...
240 (2)_____ miles from the moon
We've come a long way to belong here
To (3)_____ this view of the night
A glorious night
Over the (4)_____ is another bright sky
Oh, my, my, how beautiful
Oh, my (5)_____ father
He told me, son, (6)_____ it may seem dark
But the absence of the light is a necessary part
Just know, you're never alone
You can (7)_____ come back home...
Home

Home
You can always come back
Every road is a slippery slope
But there is always a hand that you can hold on to
Looking deeper through the telescope
You can see that your home's inside of you
Just know
That wherever you go
No, you're never alone
You will (8)_____ get back home....
...
Home
Home
...
93 million miles from the sun
People get ready, get ready
'Cause here it comes
It's a light, a (9)_____ light
Over the horizon
Into our eyes

Fill in the gaps

Answer

1. where
2. thousand
3. share
