It's not you and I

Tonight I'm Getting Over You by Carly Rae Jepsen

I wanna smash your fears		We're not lovers	
And get drunken off your tears		But more than friends	
Don't you share your smile with		Put a (6)	_ to every single word you ever said
Anyone else but me		No more crying	
I (1) touch your heart		To get me through	
I wanna (2) it in my hands		I'll keep dancing till the morning	
Make it bleed and cry as you give up all the lies		With somebody new	
We're not lovers		Tonight I'm getting over you	
But more than friends		Tonight I'm getting over you	
Put a flame to every single word you ever said		Tonight I'm getting over you	
No more crying		Tonight I'm getting over you	
To get me through		Over you	
I'll keep dancing till the morning		Over you	
With somebody new		Tonight I'm getting over you	
Tonight I'm (3)	over you	Tonight I'm (7)	over you (tonight)
onight I'm getting over you		Tonight I'm getting over you	
Tonight I'm getting over you		Over you	
Tonight I'm getting over you			
Over you		We're not lovers	
Over you		But more than friends	
Stuck in a (4) bad	dream	Put a (8)	_ to every single word you ever said
And then it feels so new to me		No more crying	
Should be in your arms		To get me trough	
But I'm begging at your feet		I'll keep dancing till the mornig	
It's been a real hard night		With somebody new	
And I (5) hold my	pillow tight	Tonight I'm getting (9) you
You won't love me back no
