## That's What Friends Are For by Dionne Warwick & Friends

And I	In good times
Never thought I'd feel this way	And bad times
And as far as I'm concerned	I'll be on your side forever more
I'm glad I got the chance to say	That's what (7) are for
That I do believe I love you	Keep smiling
And if	Keep shining
I should ever go away	Knowing you can always count on me
Well, then close your eyes and try	For sure
To feel the way we do today	That's what friends are for
And then if you can remember	For good times
Keep smiling	And bad times
Keep shining	I'll be on your side forever more
Knowing you can always count on me	That's (8) friends are for
For sure	Keep smiling
That's (1) friends are for	Keep shining
For good times and bad times	Knowing you can (9) count on me
I'll be on your (2) (3) more	For sure
That's what friends are for	'Cause I tell you, that's what friends are for
Well, you came in loving me	For good times and for bad times
And now there's so much more I see	I'll be on your side forever more
And so by the way I thank you	That's what friends are for
Oh, and then	That's what friends are for
For the times when we're apart	Keep smiling (smiling)
Well, then close your (4) and know	Keep shining (shining)
