Mirrors by Justin Timberlake

Fill in the gaps

Aren't you something To admire 'Cause your shine is something like a mirror And I can't help but notice You (1)_____ in this heart of mine If you ever feel alone and The (2)_____ makes me hard to find Just know that I'm always Parallel on the other side 'Cause with your hand in my hand And a pocket full of soul I can tell you there's no place we couldn't go Just put your hand on the past I'm here trying to pull you through You just gotta be strong 'Cause I don't wanna lose you now I'm looking right at the other half of me The vacancy that sat in my heart Is a space that now you hold Show me how to fight for now And I'll tell you, baby, it was easy Coming back into you once I figured it out You were right here all along It's like you're my mirror My mirror staring back at me I couldn't get any bigger With anyone else beside me And now it's clear as this promise

That we're making

Fill in the gaps

Into one

'Cause it's like you're my mirror

My mirror staring back at me, staring back at me

Aren't you something

An original

'Cause it doesn't seem really as simple

And I can't help but stare, 'cause

I see truth somewhere in your eyes

I can't ever

Change without you

You reflect me, I love that about you

And if I could, I

Would look at us all the time

'Cause with your hand in my hand

And a pocket full of soul

I can tell you there's no place we couldn't go

Just put your hand on the past

I'm here (3)_____ to pull you through

You just gotta be strong

'Cause I don't wanna lose you now

I'm looking right at the other half of me

The vacancy that sat in my heart

Is a space that now you hold

Show me how to fight for now

And I'll tell you, baby, it was easy

Coming back into you once I figured it out

You were right here all along

It's like you're my mirror

My mirror staring back at me

Fill in the gaps

Ingles
I couldn't get any bigger
With anyone else beside me
And now it's clear as this promise
That we're making
Two reflections
Into one
'Cause it's like you're my mirror
My mirror staring back at me, staring back at me
Yesterday is history
Tomorrow's a mystery
I can see you looking back at me
Keep your eyes on me
Baby, keep your eyes on me
'Cause I don't wanna lose you now
I'm looking right at the other half of me
The vacancy that sat in my heart
Is a space that now you hold
Show me how to fight for now (you show me baby)
I'll tell you, baby, it was easy
Coming back into you once I figured it out
You were (4) here all along
It's like you're my mirror
My (5) staring back at me
I couldn't get any bigger
With anyone else beside me
And now it's clear as (6) promise
That we're making
Two reflections
Into one
'Cause it's like you're my mirror

My mirror staring back at me, staring back at me
