# Mirrors by Justin Timberlake

#### Fill in the gaps

Aren't you something
To admire
'Cause your shine is something like a mirror
And I can't help but notice
You (1) in this heart of mine
If you ever feel alone and
The glare makes me hard to find
Just know that I'm always
Parallel on the other side
'Cause with your hand in my hand
And a pocket full of soul
I can (2) you there's no place we couldn't go
Just put your hand on the past
I'm here trying to pull you through
You just gotta be strong
'Cause I don't wanna lose you now
I'm looking right at the (3) (4) of me
The (5) that sat in my heart
Is a space that now you hold
Show me how to fight for now
And I'll tell you, baby, it was easy
Coming back into you (6) I figured it out
You were right here all along
It's (7) you're my mirror
My mirror staring back at me
I couldn't get any bigger
With anyone else beside me
And now it's clear as this promise

That we're making

#### Fill in the gaps

Two reflections Into one 'Cause it's like you're my mirror My mirror staring back at me, staring back at me Aren't you something An original 'Cause it doesn't seem really as simple And I can't help but stare, 'cause I see truth somewhere in your eyes I can't ever Change (8)\_\_\_\_\_ you You reflect me, I love that about you And if I could, I Would look at us all the time 'Cause with your hand in my hand And a pocket full of soul I can tell you there's no place we couldn't go Just put your hand on the past I'm here trying to (9)\_\_\_\_\_ you through You just (10)\_\_\_\_\_ be strong

'Cause I don't wanna lose you now

The vacancy that sat in my heart

Is a space that now you hold

Show me how to fight for now

You were right here all along

My mirror staring back at me

It's (12)\_\_\_\_\_ you're my mirror

And I'll tell you, baby, it was easy

Coming back into you (11)\_\_\_\_\_ I figured it out

I'm looking right at the other half of me

I couldn't get any bigger				
With anyone else beside me				
And now it's clear as (13) promise				
That we're making				
Two reflections				
Into one				
'Cause it's like you're my mirror				
My mirror staring back at me, staring back at me				
Yesterday is history				
Tomorrow's a mystery				
I can see you looking back at me				
Keep your eyes on me				
Baby, keep your eyes on me				
'Cause I don't wanna lose you now				
I'm looking right at the other half of me				
The vacancy that sat in my heart				
Is a space that now you hold				
Show me how to fight for now (you show me baby)				
I'll tell you, baby, it was easy				
Coming back (14) you once I figured it out				
You were right here all along				
It's like you're my mirror				
My mirror staring back at me				
I couldn't get any bigger				
With anyone else beside me				
And now it's clear as this promise				
That we're making				
Two reflections				

Into one

'Cause it's like you're my mirror
