Fill in the gaps

SUB inglés	
Mirrors by Justin Timberla	λķ
Aren't you something	
To admire	
'Cause your shine is something like a mirror	
And I can't help but notice	
You reflect in this heart of mine	
If you ever feel alone and	
The glare makes me hard to find	
Just know that I'm always	
Parallel on the other side	
'Cause with your hand in my hand	
And a pocket full of soul	
I can tell you there's no place we couldn't go	
Just put your hand on the past	
I'm here trying to pull you through	
You just gotta be strong	
'Cause I don't wanna lose you now	
I'm looking right at the other half of me	
The vacancy that sat in my heart	
Is a space that now you hold	
Show me how to fight for now	
And I'll tell you, baby, it was easy	
Coming back into you once I figured it out	
You were right (1) all along	
It's like you're my mirror	
My mirror staring back at me	
I couldn't get any bigger	
With anyone else beside me	
And now it's (2) as this promise	9

That we're making

It's like you're my mirror

My mirror staring back at me

Fill in the gaps

With anyone else beside me

And now it's clear as this promise

That we're making

Two reflections

Into one

'Cause it's like you're my mirror

My mirror staring back at me, staring back at me

Yesterday is history

Tomorrow's a mystery

I can see you looking back at me

Keep your eyes on me

Baby, keep your eyes on me

'Cause I don't wanna lose you now

I'm looking right at the other half of me

The vacancy that sat in my heart

Is a space that now you hold

Show me how to fight for now (you show me baby)

I'll tell you, baby, it was easy

Coming back into you once I figured it out

You were right here all along

It's like you're my mirror

My mirror staring back at me

I couldn't get any bigger

With anyone else beside me

And now it's clear as this promise

That we're making

Two reflections

Into one

'Cause it's like you're my mirror

My mirror staring back at me, staring back at me
