

Fill in the gaps

I remember way back, way back when	And the less you give the more I want so foolishly	
I said I never wanna see your face again	But I will (7) be your stepping s	stone
'Cause you (1) loving, yes you're loving somebody	Take it all or leave me alone	
else	I will never be your stepping stone	
And I knew, oh yes, I knew I couldn't control myself	I'm standing upright	
And now (2) bring you (3) into my life	On my own	
again	No, I will never be your (8)	ston
And so I put on a face just like your friends	Take it all	
But I think you know, oh yes, you know what's going on	Or leave me alone	
'Cause the feelings in me, oh yes, in me	I will never be (9) stepping stone	
Are burning strong	I'm standing upright	
But I will never be (4) stepping stone	On my own	
Take it all or leave me alone	Never be your stepping stone	
I will never be your stepping stone	Take it all	
I'm standing upright	Or leave me alone	
On my own	I will never be your (10)	stone
You used to call me up from time to time	I'm standing upright	
And it would be so hard for me not to cross the line	On my own	
The (5) of love lay on my lips just like a curse		
And I knew, oh yes, I knew they'd only make it worse		
And now you have the nerve to play along		
Just like the maestro beats in your song		
You got (6) kicks, you get your kicks from playing
