

Fill in the gaps

remember way back, way back when
I said I never wanna see your (1) again
'Cause you were loving, yes you're loving somebody else
And I knew, oh yes, I knew I couldn't control myself
And now they bring you (2) into my life again
And so I put on a face just like your friends
But I think you know, oh yes, you know what's going on
'Cause the feelings in me, oh yes, in me
Are burning strong
But I will never be your stepping stone
Take it all or leave me alone
I will never be your stepping stone
I'm standing upright
On my own
You used to (3) me up (4) time to time
And it would be so hard for me not to cross the line
The words of love lay on my lips just (5) a curse
And I knew, oh yes, I knew they'd (6) make it
worse
And now you have the nerve to play along
Just like the maestro beats in your song
You got your kicks, you get your kicks (7) playing
me

And the less you give the more I want so foolishly
But I will never be your stepping stone
Take it all or leave me alone
I will never be your (8) stone
I'm standing upright
On my own
No, I will (9) be your stepping stone
Take it all
Or leave me alone
I will (10) be your stepping stone
I'm standing upright
On my own
Never be your stepping stone
Take it all
Or leave me alone
I will never be your stepping stone
I'm standing upright
On my own
