

Fill in the gaps

I remember way back, way back when	And the less you give the more I want so foolishly
I (1) I never wanna see your face again	But I will never be your stepping stone
'Cause you were loving, yes you're (2)	Take it all or leave me alone
somebody else	I will never be your stepping stone
And I knew, oh yes, I knew I couldn't control myself	I'm standing upright
And now they bring you back into my life again	On my own
And so I put on a face just like your friends	No, I will never be your stepping stone
But I think you know, oh yes, you (3) what's going	Take it all
on	Or leave me alone
'Cause the feelings in me, oh yes, in me	I will never be your stepping stone
Are burning strong	I'm standing upright
But I will never be your stepping stone	On my own
Take it all or (4) me alone	Never be your stepping stone
I will never be your stepping stone	Take it all
I'm standing upright	Or leave me alone
On my own	I will (8) be your stepping stone
You used to (5) me up from time to time	I'm (9) upright
And it would be so hard for me not to cross the line	On my own
The words of (6) lay on my lips just like a curse	
And I knew, oh yes, I knew they'd only make it worse	
And now you have the nerve to (7) along	
Just like the maestro beats in your song	
You got your kicks, you get your kicks from playing me
