Well, there was no (1) to believe	Together forever
She'd always be there	Till the end of time
But if you don't put faith in what you believe in	She knows (she knows)
It's getting you nowhere	There'll always be a special place in my heart
'Cos it hurts you never let go	For her
Don't look down	She knows, she knows
Just look up	Yeah, she knows (she knows)
'Cos she's always there (2) you	No matter how far apart we are
Just to remind you	She knows
Two hearts	I'm always right there beside her
Believing in just one mind	We're two hearts
You know we're two hearts	Believing in (9) one mind
Living in just one mind	Beating together
Well, there's no (3) way to	Until the end of time
To understand it	You know we're two hearts
There's so much of my life in her	Believing in just one mind
And it's (4) I'm blinded	(Together forever)
And it teaches you to never let go	Together forever
There's so (5) (6) you'll (7)	Till the end of time
know	You know we're two hearts
She can reach you no matter how far	Living in just one mind
Wherever you are	Beating together
Two hearts	Till the end of time
Living in just one mind	Two hearts
Beating together	
Till the end of time	
You know we're two hearts
