

Fill in the gaps

Well, there was no (1) to believe	Together forever
She'd (2) be there	Till the end of time
But if you don't put (3) in what you	She (15) (she knows)
(4) in	There'll (16) be a (17)
It's (5) you nowhere	place in my heart
'Cos it (6) you never let go	For her
Don't look down	She knows, she knows, she knows
Just look up	Yeah, she (18) (she knows)
'Cos she's (7) there behind you	No matter how far (19) we are
Just to remind you	She knows
Two hearts	I'm (20) right there beside her
Believing in (8) one mind	We're two hearts
You know we're two hearts	Believing in (21) one mind
Living in just one mind	Beating together
Well, there's no (9) way to	Until the end of time
To understand it	You know we're two hearts
There's so much of my (10) in her	Believing in (22) one mind
And it's (11) I'm blinded	(Together forever)
And it teaches you to never let go	Together forever
There's so much (12) you'll never know	Till the end of time
She can reach you no matter how far	You know we're two hearts
Wherever you are	Living in just one mind
Two hearts	Beating together
Living in (13) one mind	Till the end of time
Beating together	Two hearts
Till the end of time	
You know we're two hearts	
Living in (14) one mind
