

Living in just one mind

Fill in the gaps

Well, there was no reason to believe		Together forever	
She'd always be there		Till the end of time	
But if you don't put faith in what you (1)	in	She (4)	(she knows)
It's getting you nowhere		There'll (5)	be a special place in my heart
'Cos it hurts you never let go		For her	
Don't look down		She knows, she knows	
Just look up		Yeah, she (6)	(she knows)
'Cos she's always there behind you		No matter how far apart we are	
Just to remind you		She knows	
Two hearts		I'm always right there beside her	
Believing in just one mind		We're two hearts	
You know we're two hearts		Believing in just one mind	
Living in just one mind		Beating together	
Well, there's no easy way to		Until the end of time	
To understand it		You (7)	we're two hearts
There's so much of my life in her		Believing in (8)	one mind
And it's like I'm blinded		(Together forever)	
And it teaches you to never let go		Together forever	
There's so much love you'll (2) know		Till the end of time	
She can (3) you no matter how far	how far You (9) we're two hearts		
Wherever you are		Living in just one mind	
Two hearts		Beating together	
Living in just one mind		Till the end of time	
Beating together		Two hearts	
Till the end of time			
You know we're two hearts
