Love The Way You Lie (with Eminem) by Rihanna

| Just gonna stand there and watch me burn | So lost in the moments when you're in them |
|---|--|
| Well that's alright because I like the way it hurts | It's the craze that the corporate controls you both |
| Just gonna stand there and hear me cry | So they say it's best to go your seperate ways |
| Well (1) alright because I love the way | Guess they don't know you |
| you lie | Cause today, that was yesterday |
| I love the way you lie | Yesterday is over, it's a different day |
| [Eminem] | Silent broken records playing over |
| I can't tell you what it really is | But you promised her next time you'll show restrain |
| I can only tell you what it feels like | You don't get another chance |
| And right now there's a steel knife in my windpipe | Life is no nintendo game, but you lied again |
| I can't breathe but I still fight while I can fight | Now you get to watch her leave out the window |
| As (2) as the wrong feels right it's like I'm in flight | I guess that's why they call it window pane |
| High off of love, drunk from my hate | [Rihanna] |
| Its like I'm huffing paint | Just (8) stand there and watch me burn |
| And I love it the more that I suffer, I suffocate | Well that's alright because I like the way it hurts |
| And right before I'm about to drown she resuscitates me | Just gonna stand there and hear me cry |
| She fucking (3) me and I love it, wait | Well (9) alright because I love the way |
| Where you going, I'm leaving you | you lie |
| No you ain't, come back | I love the way you lie, I love the way you lie |
| We're running right back | [Eminem] |
| Here we go again, it's so insane | Now I know we said things |
| Cause when it's going good it's going great | Did things that we didn't mean |
| I'm (4) with the wind at his back, she's | And we fall back into the same patterns, same routine |
| Lois Lane | But your temper is just as bad is mine is |
| But when it's bad it's awful I feel so ashamed, I snapped | You're the same as me |
| Who's that dude I don't even know his name | When it comes to love you're (10) as blinded |
| I laid hands on her, I'll never stoop so low again | Baby, please come back it wasn't you maybe it was me |
| I guess I don't know my own strength | Maybe our relationship isn't as crazy as it seems |
| [Rihanna] | Maybe that's what happens when a tornado meets a valcano |
| Just gonna stand there and watch me burn | All I know is I love you too much to walk away though |
| Well that's alright because I like the way it hurts | Come inside, pick up your bags off the sidewalk |
| Just gonna stand there and hear me cry | Don't you hear sincerity in my voice when I talk? |
| Well that's alright because I love the way you lie | Told you this is my fault, look in the eyeball |
| I (5) the way you lie, I love the way you lie | Next time I'm pissed I'll aim my fist at the drywall |
| [Eminem] | Next time, there won't be no next time |
| You ever love somebody so much | I apologize even though I know it's lies |
| You can barely breathe when you're with 'em | I'm tired of the games I just want her back |
| You meet and neither one of you even know what hit 'em | I know I'm a liar if she ever tries to fucking leave again |
| Got that warm fuzzy feeling | I'mma tie her to the bed and set this house on fire |
| Yeah them chills used to get 'em | [Rihanna] |
| Now you're (6) fucking sick at lookin at 'em | Just gonna stand there and watch me burn |
| You swore you'd never hit 'em | Well that's alright because I like the way it hurts |
| Never do nothing to hurt 'em | Just gonna stand there and hear me cry |
| Now you're in each others face | Well that's alright because I love the way you lie |
| Spewing (7) in your words when you spit 'em | I love the way you lie, I love the way you lie |
| You push, pull each other's hair, scratch, claw | |
| Bit 'em, throw 'em down, pin 'em | |
