

It's got a rhythm, you and me can get along

Fill in the gaps

One And The Same by Selena Gomez & Demi Lovato

Hey hey	(Get along)
La la la la la	And it may (6) (7) for me to
Hey hey hey	wanna say
La la la la la	That you're not alone (here I go again)
You come from here	And you can call me uncool but it's a simple fact
I come from there	I still got your back yeah
You rockout in your room	I still got your back
I rock the world premiere	'Cause we're one and the same
Were more alike then anybody could ever tell	We're anything but ordinary
(Every tell)	One (8) the same
Friday were cool	I think we're almost legendary
Monday were freaks	You and me the perfect team
Sometimes you rule	Shaking at the scene
Sometimes you can't even speak	We're one and the same (one one)
But we can get out and let (1) and LOL (LOL)	(Yeah, yeah)
It may seen cliche for me to wanna say	'Cause we're one and the same
That you're not alone	We're anything but ordinary
(Not alone)	One and the same
And you can call me uncool but it's a simple fact	We're something more than momentary
I got (2) back!	Cause we're one
Yeah, yeah!	Yeah, yeah, yeah
'Cause we're one and the same	Cause we're one (we're almost legendary)
We're anything but ordinary	You and me the (9) team
One and the same	Chasing down the dream
I think almost legendary	(Ohh)
You and me the (3) team	You and me the perfect team
Chasing down the dream	Shaking up the scene
We're one and the same	We're one and the same
Hey hey hey	Hey hey hey
La la la la la	La la la la la
I'm (4) like you're kinda (5) me	Hey hey hey
We write the same song in a different key
