### Fast Car (Cover) by Boyce Avenue & Kina Grannis

You got a fast car	You still ain't got a job
I want a ticket to anywhere	And I work in a market as a checkout girl
Maybe we make a deal	I know things will get better
Maybe together we can get somewhere	You'll find work and I'll get promoted
Anyplace is better	We'll (6) out of the shelter
Starting from zero got nothing to lose	Buy a bigger house and live in the suburbs
Maybe we'll make something	So I remember when we were driving
But me myself I got nothing to prove	Driving in (7) car
You got a fast car	The speed so fast felt like I was drunk
I got a plan to get us out of here	City lights lay out before us
Been working at the convenience store	And your arm felt nice (8) 'round my
Managed to save just a little bit of money	shoulder
We won't have to drive too far	And I had a feeling that I belonged
Just 'cross the border and into the city	And I had a feeling I could be someone
You and I can both get jobs	Be someone
And finally see (1) it means to be living	Be someone
You see my old man's got a problem	You got fast car
He live with the (2) that's the way it is	And I got a job that pays all our bills
He says his body's too old for working	You stay out drinking late at the bar
I say his body's too (3) to look like his	See more of your friends than you do of your kids
But mama went off and left him	I'd always hoped for a better
She wanted (4) from life than he could give	Thought maybe together you and me would find it
I (5) somebody's got to take care of him	I got no plans I ain't going nowhere
So I quit school and that's what I did	So take your fast car and keep on driving
You got a fast car	So I remember when we were driving
Is it fast enough so we can fly away	Driving in your car
We gotta make a decision	The speed so fast felt like I was drunk
We leave tonight or live and die this way	City (9) lay out before us
So I remember when we were driving	And your arm felt nice wrapped 'round my shoulder
Driving in your car	And I had a feeling that I belonged
The speed so fast felt like I was drunk	And I had a feeling I could be someone
City lights lay out before us	Be someone
And your arm felt nice wrapped 'round my shoulder	Be someone
And I had a feeling that I belonged	You got a fast car
And I had a feeling I could be someone	But is it fast enough so you can fly away
Be someone	You gotta make a decision
Be someone	You leave tonight or live and die this way
