We'll Be Coming Back by Calvin Harris & Example

We took it all apart but I'm wishing I'd stayed	We'll be coming back for you one day
In the (1) room something I heard you say	We'll be coming (13) for you one day
We didn't want to call it too early	I don't (14) care if I (15) you
Now it (2) a world away but I miss the thing	Out of our minds
Are we ever (3) feel the same?	Sad to leave it all behind
Standing in the light till it's over	We'll be coming back for you one day
Out of our minds	We'll be (16) (17) for you one day
Someone had to draw a line	Gonna rise, gonna fall, getting (18) apart
We'll be coming back for you one day	And we all do it all cause it stole our hearts
We'll be coming back for you one day	Gonna (19) up the skies, or ignore the stars
I don't (4) care if I (5) you	And we all do it all 'cause it stole our hearts
Out of our minds	Standing in the light till it's over
Sad to leave it all behind	Out of our minds
We'll be coming back	Someone had to draw a line
We'll be coming back for you one day	We'll be coming back for you one day
You can see it (6) afar we (7) riding that	We'll be (20) back for you one day
wave	I don't even care if I know you
Blinded by the lights and it's (8) not	Out of our minds
great	Sad to (21) it all behind
We didn't want to (9) it too early	We'll be (22) back for you one day
Now it seems a world (10) but I (11) the	We'll be coming back for you one day
thing	
Are we ever (12) feel the same?	
Standing in the light till it's over	
Out of our minds	
Someone had to draw a line
