

Someone had to draw a line

Fill in the gaps

We'll Be Coming Back by Calvin Harris & Example

We took it all apart but I'm wishing I'd stayed	We'll be coming back for you one day
In the back room something I (1) you say	We'll be coming back for you one day
We didn't want to call it too early	I don't even care if I know you
Now it seems a (2) away but I miss the thing	Out of our minds
Are we ever gonna (3) the same?	Sad to leave it all behind
Standing in the light till it's over	We'll be coming back for you one day
Out of our minds	We'll be coming back for you one day
Someone had to (4) a line	Gonna rise, gonna fall, getting pulled apart
We'll be coming (5) for you one day	And we all do it all cause it stole our hearts
We'll be coming back for you one day	Gonna light up the skies, or (12) the star
I don't even care if I (6) you	And we all do it all 'cause it (13) our hearts
Out of our minds	Standing in the (14) (15) it's over
Sad to leave it all behind	Out of our minds
We'll be coming back	Someone had to (16) a line
We'll be coming back for you one day	We'll be coming back for you one day
You can see it from (7) we were riding that wave	We'll be coming (17) for you one day
Blinded by the lights and it's something not great	I don't even care if I (18) you
We didn't want to (8) it too early	Out of our minds
Now it (9) a world away but I miss the thing	Sad to (19) it all behind
Are we ever gonna (10) the same?	We'll be coming (20) for you one day
Standing in the light (11) it's over	We'll be (21) back for you one day
Out of our minds
