Never Ever by All Saints

The way I'm feeling, yeah

Fill in the gaps

A few questions that I need to know	It just doesn't (7) right
How you could ever hurt me so?	I'll keep searching, deep within my soul
I need to know what I've done wrong?	For all the answers, don't wanna hurt no more
And how long it's been going on?	I need peace got to feel at ease
Was it that I never (1) enough attention?	Need to be free from pain
Or did I not give enough affection?	Go insane, my heart aches, yeah
Not only will your answers keep me sane	Some times vocabulary runs through my head
But I'll know never to (2) the same mistake again	The alphabet runs right from A to Z
You can tell me to my face	Conversations, hesitations in my mind
Or even on the phone	You got my conscience
You can write it in a letter	Asking questions that I cant find
Either way I've to know	I'm not crazy
Did I (3) treat you right?	I'm sure I ain't done nothin' wrong
Did I always start the fight?	Now I'm just waiting
Either way I'm going out of my mind	'Cause I've heard that this feeling won't last that long
All the answers to my question I have to find	Never ever have I ever felt so low
My head's spinning	When you gonna take me out of this black hole
Boy, I'm in a daze	Never ever have I ever felt so sad
I feel isolated	The way I'm feeling, yeah
Don't wanna to communicate	You got me feeling really bad
I'll take a shower I will scour	Never ever have I had to find
I will roam	I've had to dig a way to find my own piece of mind
Find peace of mind	I've never ever had my conscience to fight
The happy mind	The way I'm feeling, yeah
I once owned, yeah	It just doesn't feel right
Flexing vocabulary runs (4) through me	Never ever have I ever felt so low
