

So don't believe in everything

Fill in the gaps

Hey, hey	You think, you (8) you know
You're almost home	When you're almost there and you're almost home
You're almost home	Just open up your eyes and go, go
You're almost home	When you're almost there, (9) home
I've (1) the light in the sky	Know you're not alone
In the skies are like fireflies	You're almost home
Burning bright, just to vanish in the dark	
I've held hope in my two hands	When you let your heart be the compass
That there would be another chance	You won't get lost, not if you trust it
To (2) the kingdom, I'm (3)	When you hear the sound of the trumpet
in my heart	Louder than ever before
Cause underneath the good	(Oh) when you're almost there
There's something greater than you know	Almost home
When you're almost there and you're (4)	Just open up your eyes and go, go
home	'Cause you're almost there
Just open up your eyes and go, go	Almost home
When you're almost there, almost home	Know you're not alone
Know you're not alone	You're almost home
You're almost home	
	When you're almost there
(You're almost home)	Almost home
When you run, run so far	Just open up your eyes and go, go
You've forgotten who you are	Almost there
Where you're from	You're almost home
It's (5) some (6) universe	Know you're not alone
You count your steps, like they're regrets	You're (10) home
You catch one breath then (7) the rest	
Wrong is right	
Right is left	
And there's nowhere left to turn
