## Candle In The Wind '97 by Elton John

Goodbye England's rose	You lived your (13) like a candle in the wind
May you ever grow in our hearts	Never (14) (15) the sunset
You were the (1) (2)	When the (16) set in
(3) itself	And (17) footsteps will always fall here
Where lives were (4) apart	Along England's greenest hills
You (5) out to our country	Your candle's burned out long before
And you whispered to those in pain	Your (18) ever will
Now you belong to Heaven	Goodbye England's rose
And the stars (6) out your name	May you ever grow in our hearts
And it seems to me	You were the grace that (19) itself
You (7) your life like a (8) in the	Where lives were torn apart
wind	Goodbye England's rose
Never fading with the sunset	From a (20) (21) without you
When the (9) set in	soul
And your footsteps will always fall here	Who'll miss the (22) of your compassion
Along England's greenest hills	More than you'll ever know
Your candle's burned out long before	And it seems to me
Your (10) ever will	You lived your life like a (23) in the wind
Loveliness we've lost	Never fading with the sunset
Those empty (11) without your smile	When the rain set in
This torch we'll always carry	And your footsteps will always fall here
For our nation's (12) child	Along England's greenest hills
Even though we try	Your candle's burned out (24) before
The truth brings us to tears	Your (25) ever will
All our words cannot express	
The joy you brought us through the years
