It's just one of those days	My suggestion is to keep (6) distance
When ya don't (1) wake up	Because right now I'm dangerous
Everything is ******, everybody sucks	We've all felt like ****
You don't really know why	And been treated like ****
But you wanna justify rippin' someone's head off	All those *********, that want to step up
No human contact	I hope ya know I pack a chainsaw
And if you interact your life is on contract	I'll skin your ass raw
Your best bet is to stay away ********!	And if my day keeps going this way
It's just one of those days!	I just might break something tonight
It's all about the he said she said bull****	I pack a chainsaw
I think you better quit lettin' **** slip	I'll skin your ass raw
Or you'll be leavin with a fat lip	And if my day keeps going this way
It's all about the he said she said bull****	I (7) might break (8) tonight
I think you better quit talkin' that ****	I pack a chainsaw
It's just one of those days	I'll skin your ass raw
Feelin' like a freight train	And if my day keeps going this way
First one to complain	I just might break your ****** face tonight
Leaves with a blood stain	Give me somthing to break
Damn (2) I'm a maniac	Give me somthing to break
You better watch your back	Just give me stuff to break
'Cause I'm ****** up your program	How 'bout your ****** face?
And if you're stuck up	I hope you know I pack a chainsaw, what?
You just (3) up	A chainsaw, what?
Next in line to get ****** up	A ******* chainsaw, what?
Your best bet is to stay away ********!	So come and get it
It's just one of those days!	It's all about the he said she said bull****
It's all about the he said she said bull****	I think you better quit lettin' **** slip
I (4) you better quit lettin' **** slip	Or you'll be leavin with a fat lip
Or you'll be leavin (5) a fat lip	It's all about the he said she said bull****
It's all about the he said she said bull****	I (9) you better (10) talkin that ****
I think you better quit talkin that ****, punk	punk
