## Set Fire To The Rain (Cover) (Live) by Vázquez Sounds

I let it fall, my heart	Well, it burned while I cried
And as it fell, you rose to claim it	'Cause I heard it screaming out (7) name
It was dark and I was over	Your name
Until you kissed my lips and you saved me	I set fire to the rain
My hands, they were strong	And I threw us into the flames
But my knees were far too weak	Well, I felt something die
To stand in (1) arms	'Cause I knew that that was the (8) time
Without falling to your feet	The last time
But there's a side to you	Sometimes I wake up by the door
That I never knew, never knew	And heard you calling, must be (9) for you
All the (2) you'd say	Even that when we're already over
They were never true, never true	I can't (10) myself from looking for you
And the games you'd play	I set fire to the rain
You would always win, always win	Watched it pour as I touch your face
But I set fire to the rain	Well, it burned while I cried
Watched it pour as I touched your face	'Cause I heard it screaming out your name
Well, it burned while I cried	Your name
'Cause I heard it screaming out (3) name	I set fire to the rain
Your name	And I threw us into the flames
When laying with you I could stay there	Well, I felt something die
Close my eyes, feel you here forever	'Cause I knew that that was the last time
You and me together, nothing is better	The last time (oh)
'Cause there's a side to you	(Oh, no)
That I never knew, never knew	Let it burn
All the (4) you'd say	(Oh) let it burn
They were never true, (5) true	Let it burn
And the games you's play	(Oh oh oh)
You would always win, (6) win	
But I set fire to the rain
