Winter's city side	It's easy when you're Big in Japan	
Crystal (1) of snowflakes	You're Big in Japan	
Fall around my head and in the wind	You're Big in Japan	
I had no illusions	You're Big in Japan	
That I'd ever find the glympse	It's when	
Of summer heatwaves in your eyes	You're Big in Japan	
You did what you did to me	Then I'll sleep by your side all (9)	_ the night
Now it's history I see	Big in Japan	
Here's my comeback on the (2) again	It's (10) to be	
Things will (3) while they can	I feel you'll see they way	
I will wait (4) for my man tonight	Too late, too late	
It's (5) when you're Big in Japan	You're Big in Japan	
You're Big in Japan	You're Big in Japan	
You're Big in Japan	You're Big in Japan	
You're Big in Japan	It's when	
It's when	You're Big in Japan	
You're Big in Japan	Then I'll sleep by your side all through the night	
Then I'll (6) by your side all through the night	Big in Japan	
Big in Japan	It's easy to be	
It's (7) to be	You're Big in Japan	
Neon on my skin	Then I'll sleep by your side all through the night	
Passing silhouettes of strange	Big in Japan	
Illuminated mannequins	It's easy to be	
Shall I stay here at the zoo?	You're Big in Japan	
Should I go and change my point of view	You're Big in Japan	
For other ugly scenes	You're Big in Japan	
You did what you did to me	It's when	
Now it's history I see	Big in Japan	
Things (8) happen while they can		
I will wait here for my man tonight
