Winter's city side	It's easy when you're Big in Japan
Crystal bits of snowflakes	You're Big in Japan
Fall (1) my head and in the wind	You're Big in Japan
I had no illusions	You're Big in Japan
That I'd (2) find the glympse	It's when
Of summer (3) in your eyes	You're Big in Japan
You did (4) you did to me	Then I'll (19) by (20) side all
Now it's history I see	(21) the night
Here's my comeback on the road again	Big in Japan
Things (5) (6) while they can	It's (22) to be
I will (7) (8) for my man tonight	I feel you'll see they way
It's easy (9) you're Big in Japan	Too late, too late
You're Big in Japan	You're Big in Japan
You're Big in Japan	You're Big in Japan
You're Big in Japan	You're Big in Japan
It's when	It's when
You're Big in Japan	You're Big in Japan
Then I'll sleep by (10) side all through the night	Then I'll sleep by your side all (23) the night
Big in Japan	Big in Japan
It's (11) to be	It's easy to be
Neon on my skin	You're Big in Japan
Passing (12) of strange	Then I'll (24) by (25) (26)
Illuminated mannequins	all through the night
Shall I stay (13) at the zoo?	Big in Japan
Should I go and (14) my point of view	It's easy to be
For other ugly scenes	You're Big in Japan
You did (15) you did to me	You're Big in Japan
Now it's (16) I see	You're Big in Japan
Things will happen while (17) can	It's when
I will (18) here for my man tonight	Big in Japan
