## Tears Dry On Their Own by Amy Winehouse

All I can (1) be to you	So we are history
Is a darkness that we knew	Your shadow (8) me
And this regret I got accustomed to	The skies above a blaze
Once it was so right	He walks away
When we were at our high	The sun goes down
Waiting for you in the hotel at night	He takes the day but I'm grown
I knew I (2) met my match	And in your way
But every moment we (3) snatch	In this blue shade
I don't know why I got so attached	My tears dry on their own
It's my responsibility	I wish I could say no regrets
And you don't owe nothing to me	And no emotional debts
But to walk away I have no capacity	'Cause as we kissed goodbye the sun sets
He walks away	So we are history
The sun goes down	The shadow covers me
He (4) the day but I'm grown	The sky above a blaze
And in your way	That only lovers see
In this blue shade	He walks away
My tears dry on their own	The sun goes down
I don't understand	He takes the day but I'm grown
Why do I stress a man	And in your way
When there's so (5) bigger things at hand	My blue shade
We could have never had it all	My tears dry on their own (whoa)
We had to hit a wall	He walks away
So this is inevitable with drawl	The sun goes down
Even if I stopped wating you	He takes the day but I'm grown
A perspective pushes through	And in your way
I'll be some next man's other woman soon	My deep shade
(Ah) can I play myself again?	My tears dry on their own
Or should I (6) be my own best friend?	He walks away
Not **** myself in the head with stupid men	The sun goes down
He (7) away	He (9) the day but I'm grown
The sun goes down	And in your way
He takes the day but I'm grown	My deep shade
And in your way	My tears dry
