

Biting your own neck

## Fill in the gaps

## Little Lion Man by Mumford & Sons

Weep for yourself, my man	But it was not your fault but mine
You'll never be (1) is in your heart	And it was your heart on the line
Weep Little Lion Man	I really ***** it up this time
You're not as brave as you were at the start	Didn't I, my dear?
Rate yourself and rake yourself	But it was not your fault but mine
Take all the courage you (2) left	And it was your (5) on the line
Wasted on fixing all the problems	I really ***** it up this time
That you made in your own head	Didn't I, my dear?
But it was not your fault but mine	Didn't I, my dear
And it was your heart on the line	
I really ***** it up this time	But it was not your (6) but mine
Didn't I, my dear?	And it was your heart on the line
Didn't I, my	I really (7) it up this time
Tremble for yourself, my man	Didn't I, my dear?
You know that you have seen this all before	But it was not your fault but mine
Tremble Little Lion Man	And it was your heart on the line
You'll never settle any of (3) scores	I (8) ***** it up this time
Your (4) is wasted in your face	Didn't I, my dear?
Your boldness stands alone among the wreck	Didn't I, my dear
Now learn from your mother	
Or else spend your days
