'Cause I don't wanna lose you now

Mirrors (Live) by Justin Timberlake

'Cause your shine is something like a mirror I'm looking right at the (7)_ half of me And I can't help but notice This vacancy that sat in my heart You reflect in this heart of mine, yeah Is a space that now you hold If you ever feel alone and Show me how to fight for now The glare makes me hard to find And I'll tell you baby, it was easy Just know that I'm always Coming back into you once I figured it out Parallell on the other side You were right here all along 'Cause with your hand in my hand It's like you're my mirror And a pocket full of soul My mirror staring back at me I can tell you there's no place we couldn't go I couldn't get any bigger Just put your hand on the past With anyone else beside of me I'm here trying to pull you through And now it's clear as this promise You just gotta be strong That we're making 'Cause I don't wanna lose you now Two reflections into one I'm looking right at the other half of me 'Cause it's like you're my mirror My mirror staring back at me (staring back at me) The vacancy that sat in my heart Is a space that now you hold Yesterday is history Show me how to fight for now Tomorrow's a mystery And I'll tell you baby I can see you looking back at me It was (1)_ ____ coming back into you once Keep your eyes on me I figured it out Baby, keep (8)___ __ eyes on me You were (2)_____ here all along London ('cause I don't wanna lose you now) It's (3)_____ you're my mirror Put your hands together right now, come on My mirror staring back at me I'm looking right at the (9)___ I couldn't get any bigger This vacancy that sat in my heart With anyone else beside of me Is a space that now you hold (no, no, no, no) And now it's clear as this promise Show me how to fight for now That we're making And I'll (10)_____ you baby that it was easy Two (4)_ into one Coming back into you once I figured it out 'Cause it's like you're my mirror You were right here all along My mirror staring back at me, staring (5)____ It's like you're my mirror Aren't you something My mirror staring back at me An original, 'cause it doesn't seem merely assembled I couldn't get any bigger And I can't help but stare 'cause With anyone else beside of me I see truth somewhere in your eye And now it's clear as this promise I can't (6)_____ change without you That we're making You reflect me, I love that about you Two reflections into one And if I could, I would look at us all the time 'Cause it's like you're my mirror (no, no, no) 'Cause with your hand in my hand My mirror staring back at me, staring back at me And a pocket full of soul No I can tell you there's no place we couldn't go Thank you London Just put your hand on the past Have a great night I'm here trying to pull you through You just gotta be strong
