Riding With The King (Cover) by B.B. King & Eric Clapton

I dreamed I had a good job and I got well paid	You can see it in his face, the blue never lie
I blew it all at the penny arcade	Tonight everybody's getting (4) angel wings
A hundred dollars on a kewpie doll	And don't you know we're riding with the king?
No pretty chick is gonna (1) me crawl	I stepped out of Mississippi
Get on a TWA to the promised land	When I was ten years old
Every woman, child and man	With a suit cut sharp as a razor
Gets a (2) and a great big diamond ring	And a (5) made of gold
Don't you know you're riding with the king?	I had a guitar hanging just about waist high
He's on a mission of mercy to the new frontier	And I'm gonna play this (6) until the day I die
He's gonna check us all on out of here	(Don't you know we're (7) with the king?)
Up to that mansion on a hill	Don't you know we're riding with the king?
Where you can get your prescription filled	
	Don't you know we're riding with the king?
Get on a TWA to the promised land	
Everybody	Riding, you're riding (8) the king
Everybody clap your hands	
Clap your hands	You're riding, you're riding with the king
And don't you just love the way that he sings?	
Don't you know we're riding with the king?	Don't you know we're (9) with the king?
Riding with the king	
Don't you (3) we're riding with the king?
